On Saturday and Sunday play, August 27-28, 2022, the player will simultaneously compete in the International Team Competition (if an official member of the country's team), qualify for the 16-man Maytag Championship Flight and the 16-man Evans Flight, and participate in the President's Medal Competition – a stroke play event with awards to the 1st and 2nd low gross and 1st and 2nd low net winners in age groups (approximately 55-59, 60-64, 65-69, 70-74, 75-79 and 80 and over). The French Super Senior Trophy will be awarded for the over 75 medalist.

The 16 players with the lowest qualifying scores will constitute the Maytag Championship Flight and the next 16 lowest qualifying scores will comprise the Evans flight, playing at scratch. The Committee may decide to play the third flight at scratch or with handicap, depending on the number of entries and handicap differentials. The remaining players will be placed in flights of 16 by handicap, beginning play on Tuesday, August 30 through Friday, September 2, 2022. These flights will play to 50% handicap differential. The Tournament Committee reserves the right to make adjustments to handicaps. Spikeless or soft spike shoes must be worn.

A player new to the World Senior Golf Championships must have a handicap index of 20 or less. The maximum handicap that may be used in competition is 36. If a player has a handicap greater than 36, it will be adjusted from the beginning and he will be required to commence play at a 36.

The official men's practice round will be on Friday, August 26, 2022 at **7:45am in the Shotgun Start**, included in the entry for men. Practice for the ladies can be arranged, however, a

practice round is **NOT** included in the entry fee. Tee times may be arranged for play on days prior to August 26 through the World Senior office, space available, at the World Senior Golf rate of \$99.00 per round. Both men and women need to contact the World Senior Golf office to make optional practice rounds at the \$99 rate.

Please return the Tee Time Request card with Entry Form for requests for tee times on any day outside the reserved blocks. Please indicate preferred times and pairings on the request card and every effort will be made to accommodate.

One Net Team and One Gross Team will be accepted from each country. Teams are comprised of 3-5 players each. A player may participate on either the Net or Gross Team, but not on both. The Net and Gross Teams must be declared to the World Senior Golf office prior to the flag raising ceremony. In the Match Play Competition, trophies will be awarded to the winner, runner-up, and the semi-finalists in each flight.

Rules of the United States Golf Association will govern play, with such amendments as may be announced by the Tournament Committee. The Tournament Committee will interpret the rules and make all decisions.

Match play pairings will be made in accordance with U.S.G.A. numerical draw, scratch flights.

The Tournament Committee regards pace of play as a very important aspect of an enjoyable and successful tournament and will be monitoring play to ensure that play progresses at a reasonable and satisfactory pace of approximately four and ½ hours per round. **PLAYING GROUPS THAT FALL OUT OF POSITION WILL BE WARNED, AND IF THE GROUP DOES NOT RESPOND TO THE WARNING, SANCTIONS MAY BE IMPOSED.**
